What's Included

Unlimited 2x6 inch photo strip prints.

Fantastic choice of quality props. Your friends and family will love the added fun of dressing up for their photos.

Personal online gallery filled with all of your photo strips. This allows friends and family to download, print or share online.

Friendly operator to assist guests. We're passionate about great service and will ensure all your guests are enjoying the booth. Send us your personalised logo and we'll add it to the photo strips, at no extra charge.

Advice

An extra hour is always worth it. You don't want us leaving with family and friends still queuing. Three hours is normally just the right amount of time to give everyone a turn to have some fun.

A memory book is a great way to capture the memories of your event. We'll encourage all of your friends and family to leave one of their two photo strips in the book together with a personal message.

Setup & Operation

We'll confirm a delivery and collection time with you.

A suitable 220V electrical plug point must be provided by the client/venue within 10 metres of the booth location.

The client will be responsible for any cost incurred due to damage caused by vandalism or theft while on site. Retro Photo Booth will not take any responsibility for any electrical issues or failure of power supply at the venue.

Please Note

Travel is included within 40km of Somerset West. A rate of R 7,00 per km will apply thereafter.

Our photo booth operates comfortably within a 1.5m x 2m space.

A nearby plug is essential. We'll bring two extension leads with us - just in case!

If the photo booth is to be operated outdoors, the area must be covered and protected from wind and rain. Operation may be weather dependent (at your own risk of forfeiting full payment). Our photo booth does not like rain or wind.

*Non-refundable deposits once payment is made will apply.

Meet Clic Clic Our Mobile Booth

Hi, I am a white VW Microbus born in the year 2000. My owner has converted me into a state-of-the-art mobile photo booth. The booth comprises a DSLR camera, touch screen computer and a super fast high quality printer. If you are looking for a fun photo booth that can be set up outside, then I am the booth for you. We are available for all sorts of functions; namely weddings, birthday celebrations, kids parties, corporate events, product launches, team building etc.

Please have a look at my Facebook page for more info and pictures: www.facebook.com/retrophotobus
